In the Drawings:**Informalities**

By the Office Action dated August 16, 2000, the PTO Draftsperson has objected to the drawings for the reasons noted on the Notice of Draftsperson's Patent Drawing Review, form PTO-948.

25

Applicants respectfully request that any corrections of informalities be deferred until the receipt of the Notice of Allowability (PTOL-37).

In the Specification:

30 By the Office Action dated August 16, 2000, the Examiner has objected to the title of the invention. The Examiner asserted that "[t]he title of the invention is not descriptive . . . [, and that a] new title is required that is clearly indicative of the invention to which the claims are directed." (See Office Action, page 2, paragraph 2.)

Please amend the specification as follows:
